

CodeRED is the FREE community notification system available to Pamlico County residents that will send you alerts concerning time-sensitive and/or emergency information that may impact your area via phone calls, text messages, and emails.

Pamlico County public safety officials encourage you to actively participate in emergency preparedness by remaining informed. Safety is a two-way street, so be sure to register today to receive the information you need, when it matters, regarding events such as:

HURRICANE EVACUATIONS  
BOIL WATER ADVISORIES  
NATURAL DISASTERS

**Messages** During emergencies that require public notice, citizens that are registered will receive a phone call, email, or text (specified by the citizen) concerning the nature of the emergency and recommended actions. Via caller ID, a phone number referencing the source of the call will be displayed. If you would like to hear a replay of the last message delivered to your phone, simply dial the number back.

**Privacy** Your contact information remains private and will only be used for community notifications.

**Join Our Database** To make sure you receive notifications, please register your cell phone number, landline number, address, and email at <http://www.pamlicocounty.org>
